

MAKE A MOVIE IN A DAY

tiff. | Bell Lightbox

This one-of-a-kind corporate team-building exercise is a great way to engage members of your team, allowing them to explore their creativity and problem-solving skills in a fun and interactive environment. In this workshop you'll experience what it's like to be part of a film production by actually producing a movie, from start to finish, in a single day. Make a Movie in a Day was designed to enhance leadership qualities, lines of communication, and character development — all you need to bring is your creativity and your imagination.
